- Technical and Engineering Services (non-IT)
- Training

GSA's flexible and innovative contracts deliver a suite of professional, scientific, and technical services from thousands of highly qualified industry partners. Our team can also provide comprehensive acquisition services support to assist federal agencies find the right solution for their complex professional services requirements.

We offer two solutions that meet your complex Professional Services procurement needs.

The GSA Schedule is a convenient, effective option for both buyers and sellers. Buyers enjoy simplified ordering procedures and reduced prices, while sellers can connect with federal buyers quickly and easily. The Schedule supports compliance but also allows for flexibility to meet your buying needs of:

Benefits:

- Negotiated contract ceiling prices
- Opportunities for discounts at the order level
- Single contracting vehicle to fulfill complex or ongoing needs and reduce overall contract awards and administration
- Less administrative time and contract documentation, since the master contract is managed by GSA
- Meets OMB Mandates for using existing contracts and reaching Tier 2 spend under management **SUM** goals
- Socioeconomic credit for orders awarded to small business and other socioeconomic categories

Visit gsa.gov/schedules for more information.

Have you heard about Federal Marketplace Strategy (FMP)?

FMP is GSA's plan to modernize and simplify the buying and selling experience for customers, suppliers, and acquisition professionals. We want to ensure the Federal Marketplace experience of tomorrow is even better than it is today. We would love your ideas and feedback!

Join the FMP Strategy Community of Practice Today! gsa.gov/federalmarketplace.
